

THE WHOLE HOLY BIBLE

IN A YEAR

FOR KIDS!

WEEK 1: Where Do You Stand?

- Luke 6:48
- Luke 5:10b-11
- Deuteronomy 30:20

God calls us to use his Word and good works as a guide on how to live our lives just like he wants us to! And when we build our life on what the bible says, it's like we have solid bricks that we lay out. As we continue to live our life through God, we build higher and stronger, like Legos!

Question: What is a strong value, like kindness or respect, that you have used this week?

Challenge: Go look outside where you live and look at where your home is built. Can you see how strong the base is?

WEEK 2: Women Who Walk

- Luke 10:38-42
- Luke 8:19-21
- Joshua 2:4-6

God loves all his children exactly the same, but we as humans have a harder time treating everyone equally. In biblical times, women didn't have the same opportunities to work or choices they could make as the men did. All through the bible we can see how God used strong women in the Old Testament like Rahab, and chose a special mother, Mary, to raise Jesus. God shows us to treat everyone as equals because we all have special gifts!

Question: Who is a strong woman figure you have in your life?

Challenge: As you go throughout your week, say a special thank you to the women you see like teachers, doctors, restaurant servers, and your family members!

WEEK 3: Does God Send Suffering?

- Judges 2:18-19
- Luke 12:8-10
- Luke 12:29-31

God loves us, and he created us to be perfect. But humans all through history have made mistakes that created a gap between us and God. God loves us so much that he sent Jesus to save us and close that gap. God doesn't make bad things happen, but he can help us when we do face challenges. We have to trust him especially when we have problems!

Question: Who is someone that helped you solve a problem this week?

Challenge: Take a walk and look for things that bring you joy! Maybe it's flowers, birds singing, or the sun shining!

WEEK 3: Who's In & Who's Out

- Luke 18:16
- Luke 15:20
- Ruth 1:16

God finds great joy when we grow in our faith, and he knows kids like you are very important because as you grow up, you will help tell others about how much God loves them! You have an important job to share your faith with others because we want Heaven to be more crowded with all of our friends!

Question: What is something new you learned this week in school, sports, or church?

Challenge: Play a trivia game with your family, but use facts about you. See if you learn something new about the family you see every day!
